Experts swear by this line zapper. "No other product besides Retin-A has this science behind it," says Ruth Tedaldi, a dermatologist in Wellesley, Mass. A potent blend of antioxidants, peptides, and collagen-building growth factors turns back the clock, "reversing signs of aging," like wrinkles and thin, papery skin, says Seattle dermatologist Barbara Schell. **\$260;** [skinmedica.com](http://skinmedica.com).
